NOAH Car Covers

NOAH is the newest and best Corvette cover available from Wolf - the pros of vehicle protection. NOAH combines barrier protection with superior breathability that will release condensation and moisture trapped between your cover and your Corvette. Constructed of a revolutionay 3-Layer fabric developed by Kimberly-Clark. Ideal for indoor and outdoor use. Gray

6746	68-79	NOAH Car Cover	159.95 ea ND
6747	80-82	NOAH Car Cover	159.95 ea ND

BATTERY MASTER SWITCH

Installs in minutes to stop battery drain or electrical fires on stored cars. Also by removing the knob you can help avoid theft. Use them on all your cars !!

6636	Top Post Battery Disconnect Switch	9.95 ea
6637	Side Post Battery Disconnect Switch	12.95 ea

THE ORIGINAL CAR DUSTER

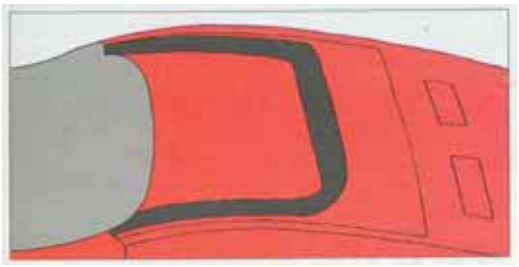
Pass this duster over the surface of the car lightly & pick-up all dust without scratching the surface. Comes with storage pouch & instructions.

7160 Original Car Duster ..... 19.95 ea

63-82 Cleartastic Paint Protectors

Cleartstic is a great way to protect your paint. To apply pre-cut flexible film, simply press it on (adheres by static electricity). To remove just peel it off. The clear film lets the body color show through so the product is almost invisible.

6660	63-67	Behind Rear Wheel	25.95 pr ND
6664	69-82	Front of Rear Wheel	25.95 pr ND
6665	74-82	Behind Rear Wheel	25.95 pr ND



1953-75 DECK LID PROTECTORS

Prevent your softtop or hardtop from scratching your deck lid. Deck Lid Protectors are static cling film (no adhesive needed). **Specify Clear or Black and Hardtop or Softtop.**

9082__	56-62	Deck Lid Protector	27.00 ea
9083__	63-67	Deck Lid Protector	27.00 ea
9084__	68-75	Deck Lid Protector	27.00 eaST

5000 68-82 Cup Holder ..... 29.95 ea
Installation of this tray allows you to still operate the emergency brake handle. On 68-76 models it uses factory console screw holes, and 77-82 models use 2 screws into carpeted sides of console. Screws included.

GLASS T-Tops

1013 68-82 Glass T-Tops (Mirrored Glass - Gray Tint) All Glass Roof Panels ..... 1099.95 pr ND
These tops have the same appearance as the factory glass roofs, but at a lesser price. These t-tops are mirrored glass from the outside and have a gray tint on the inside. Made of tempered glass these Roof Panels are less prone to breakage when compared to the factory laminated glass tops. They are of the same design all the GM panels.

Slight modification necessary on 68-77 Corvettes

Magnaflow Performance Exhaust

Theses aluminized systems offer the same great fit as our regular systems but with the added performance of Magnaflow Mufflers. Systems include pipes, mufflers, flanges, sleeves, donut gaskets and clamps. The mufflers are not welded to the secondary pipe. See description of Magnaflow Mufflers on this page.

10514	56-58	Low Perf, all 1 x 4 carbs with Magnaflow Mufflers	339.95 set ND

FIBERGLASS

Abbreviations: (T) Truck Shipped
(PM) Press Molded - in the description means the panel has a smooth surface inside and out as original.

Pre-Assembled - Press Molded Front End

These PRESS MOLDED front ends are assembled as they were originally. The manufacturer bonds all of the separate fiberglass pieces together and installs bonding strips just like the factory. Front Ends include: All correct color bonding material, inner skirts and upper dash. Hood not included. ($100 Crating Fee - Extra)

73-82 TRU-FLEX Bumpers and Retainers

FlexyGlass (Tru-Flex) is a new material that is both flexible & durable. FlexyGlass is produced using a revolutionary new resin by Ashland Chemical & fiberglass mat from Owens Corning Fiberglass. The materials are formulated from the beginning to be flexible & tough not just a common resin. Combined, these elements are 70% more flexible than regular fiberglass. These bumpers are one of our biggest sellers!!

Sale Prices

6400	**73-74**	**Tru-Flex Front Bumper**...(List $319)	**309.00 ea ND**
6401	**75-79**	**Tru-Flex Front Bumper**...(List $319)	**299.00 ea ND**
6402	**80-82**	**Tru-Flex Front Bumper**...(List $339) (Truck Shipped).....we recommend urethane #1789	
6403	**74**	**Tru-Flex Rear Bumper** - this is a one piece bumper with a seam to give it a two piece look- great fit!..(List $359)	**319.00 ea ND**
6404	**75**	**Tru-Flex Rear Bumper** - has indentations for rear emblem letters...(List $359)	**319.00 ea ND**
6407	**76E**	**Tru-Flex Rear Bumper**...(List $359)	**319.00 ea ND**
		Note: The difference between 76E and 76L is where the emblem fits.76 early has an indentation for 6 1/4" long emblem, 76 late has an 8 1/2" long emblem and no indentation

Magnaflow Performance Exhaust Systems

These aluminized exhaust systems offer the same great fit as our regular systems but with the added performance of Magnaflow Mufflers. Systems include Pipes, Flanges, Sleeve, Donut Gaskets, Clamps and Mufflers. The secondary pipe is not welded to the muffler. See description of Magnaflow Mufflers on this page.

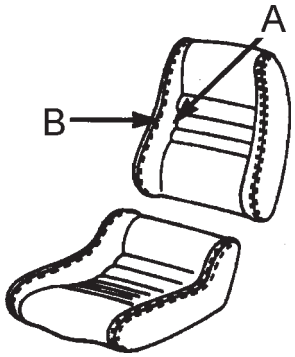
How to select the Correct Size 79-82 Leather Seat Covers

1) If you are using new seat foam, simply select seat covers and seat foam that match in size - either both 2" or 4".
2) If you are using your original seat foam, locate the end of the horizontal pleats (A) on the seat back's insert area.
3) Then find the middle of the double stitching line(B)
4) Now measure the distance between (A) & (B). It will be either 2" or 4". Specify this measurement when ordering.



Seat Covers & Related - Specify Year and Color

Research shows 68-69 seat covers were 100% leather, 70-72 were originally all leather except for 2 vinyl pull tabs & 1 vinyl insert beneath the seat back bezel. 73-82 leather covers were leather on the tops, backs and sides with skirts made of vinyl. The 70-82 are also offered in 100% leather.

Do you need 1968-1969 T-Top Weatherstrips?

1970-1977E T-Top Weatherstrip can be used on 1968-1969 Corvettes. You will need to acquire a pair of 1970-1977 outer weatherstrip retainers. Mount the retainers on your 1968-1969 T-Tops, use your new 1970-1977 weatherstrips as a template and drill additional 11/64" diameter holes to match. Or you can buy #2796 which is correct it is your choice.

SPEAKERS

7836 53-57 Stereo Speaker (Dual 30 watts) ..... 44.00 ea
1418 58-67 Stereo Speaker w/o Air..(Dual 30 watts) .... 39.95 ea
7837 63-67 Stereo Speaker with Air..(Dual 30 watts) ... 39.95 ea
Custom Dual 4" Prewired Speakers - designed to install in original area

7059 58-67 DVC Stereo Speaker w/o Air (140 Watts) 49.95 ea
DVC (Dual Voice Coil) speakers have up to 70% more cone area than regular dual speakers giving you improved bass response and 140 WATTS power handling. Both stereo channels connect directly to one speaker.

7060 68-82 Speakers 4 x 6 - Custom Autosound ..... 49.00 pr
These 4 x 6 2 Way top dash or kick panel speakers handle 80 Watts a pair

7873 68-82 Speakers 4 x 6 - Kenwood ..... 79.00 pr
These 4 x 6 dual cone top dash or kick panel speakers handle 80 Watts a pair

7869 78-82 Rear Speakers 6 x 9 - Custom Autosound 79.95 pr
These 6 x 9 3 Way rear speakers can handle 120 Watts a pair

7838 78-82 Rear Speakers 6 x 9 - Kenwood ..... 109.95 pr
These 6 x 9 dual cone rear speakers can handle 150 Watts a pair

7839 78-82 Rear Speakers 6 x 9 - Pioneer 3 Way ..... 149.00 pr
These 6 x 9 3 Way rear speakers can handle 220 Watts a pair

7859 63-82 Soundbar Speaker Assembly ..... 119.95 ea
The 63-82 soundbar speaker assemblies are custom made units. They require no modification to install - aluminum tabs at the ends allow a pressure fit against the carpeting. These custom 3" deep assemblies have two 5" speakers, 2 mid range and two tweeters (200 Watts of power). Covered in black nylon velour, the soundbar is easily dyed to match your interior color if you so desire. On 68-76 Corvettes the courtesy light can easily be fitted into the foam center section. This unit will not affect T-Top storage or convertible top fold down.

7855 62-82 Radio Noise Suppression Kit ..... 17.95 ea
Attaches to your alternator to suppress the whining, buzzing and hums it causes. Installation is simple - just connect 2 wires and the supplied mounting bracket. This kit will fit **62 - 82** Corvettes with an alternator.

ORDERING INFORMATION AND POLICIES

ORDERING INFORMATION

Rush Orders: Need your order shipped the same day? Just ask for Rush Service. The cost for this service is an additional $4.00 and you must call the order in by 2:00 pm Eastern Time. Always ask us to check stock on Rush Orders.

Minimum Order: A $20.00 minimum parts order is required.

By PHONE: Orders are processed in the order they are received -If you want same day processing see above "Rush Orders".

By FAX: Our fax machine receives orders 24 hours a day. Fax orders are processed no later than the next business day. Please be sure to include all necessary information - especially your daytime phone number.

By MAIL: Mail orders are processed within 24 hours of receipt. Please include a daytime phone number.

By ON-LINE: We have a secure on-line order form that you can fill out 24 hours a day.

Payment Methods: VISA, Mastercard and Discover Cards are accepted. Prepaid mail orders may send a check, money order, cashier's check or credit card. All credit card orders please include card #, exp date, cardholder's name and billing address.

SHIPPING INFORMATION

1) Shipping on Prepaid Orders - please call for shipping costs (have your parts list in front of you when calling).

2) UPS & FedEx Ground Service - all orders will be shipped by Ground Service unless:
a) customer requests other means of delivery
b) customer's location is not served by Ground Service
c) the package's size is over the limit

3) UPS & FedEx 3 Day Service - customers on the West Coast benefit from this service. The cost is more than Ground but less than Air Service. Rates are based on dimensional weight - call for costs.

4) UPS & FedEx Next Day Air and 2-Day Air -due to the fact that rates are based on the dimensions on the box and where you live please call for pricing.

5) UPS & FedEx Saturday Delivery - Items must be sent Next Day Air on Friday. The cost is Next Day Air costs plus $12.50.

6) Truck Shipping - some parts in our catalog are too large to ship by UPS. These parts are denoted by (T) in their description. Call for approximate shipping costs. Shipping is paid upon delivery.

7) HAWAII, ALASKA and PUERTO RICO - All orders must be shipped by UPS 2nd Day Air, Next Day Air or U.S. Postal Service. Please specify which method you prefer.

8) APO, FPO, GUAM, VIRGIN ISLANDS - All orders to these locations must be sent by the U.S. Postal Service.

9) CANADA - UPS Ground and Air Service is available to most locations in Canada. Orders can be shipped by the Post Office if you prefer or if UPS does not deliver to your address. A $5.00 processing fee will be charged on all Canadian orders to cover the costs of filling out the extra documents required.

10) INTERNATIONAL ORDERS - Orders will be shipped by Burlington Air Express, UPS International Air or Air Express International whichever is less expensive. If you request the order be shipped by U.S. Postal Service you assume all risk and responsibility if the package is lost, damaged or delayed. We can quote you price on any shipping method you choose. All shipping charges and a $5.00 handling fee will be applied to your credit card. All customs fees and duty must be paid by the customer.

POLICIES

Returns and Exchanges

1) **ALL RETURNS** require an authorization number or they will not be processed.

2) **NO RETURNS ON:**
a) Any part OVER 30 DAYS from ship date
b) Electrical Parts
c) Any part that has been installed or altered in any way
d) Non-stocked items such as fiberglass parts shipped by truck or interior parts that are of unusual color or are non-original
e) All Special Orders

3) Please notify us within **10 days** of receipt that you wish to return an item. We will supply you with a Return Authorization Number. Absolutely no returns or exchanges will be accepted without the number. **Any item returned later than 30 days from ship date is subject to a restocking fee.**

4) *Corvette World* must be notified of all returns and a copy of the original invoice must be included with return - Or your return will not be processed.

5) C.O.D. return packages will not be accepted.

6) Any item returned that was shipped correctly by *Corvette World* is subject to a 15% restocking fee.

7) CORE RETURNS: Rebuildable cores must be returned within 30 days from the ship date - or your refund may be reduced or lost.

Damages and Shortages

1) Damages
If your order arrives damaged, immediately notify the carrier and *Corvette World*. Please keep all boxes and packaging materials until an inspection has been made by the carrier.

2) Shortages
If the shortage is a result of damage, follow the above instructions. If the shortage is due to an error by *Corvette World* , you must notify us within 2 days of delivery.

Disclaimer: *Corvette World* is not responsible for printing errors.

Prices are Subject to Change Without Notice :
Due to the length of time our catalogs are in effect, changes may occur in price, description or availability.

Sales Tax: Any order being shipped to an address in the state of Pennsylvania must add 6% Sales Tax.

Backorders: Due to the large variety of parts we handle, backorders are an unavoidable occurrence. Normally backorders are shipped within 2 weeks. After 30 days you will be notified before shipping. Please notify *Corvette World* as soon as possible if you wish to cancel a backorder or you may be responsible for the shipping charges incurred by us.

Liability Disclaimer: *Corvette World* will not be responsible for any damage or loss caused by delays, failure or any other consequential damage arising from any cause whatsoever, nor for labor, transportation or any other charges incurred in the replacement or repair of a defective item.
Due to various conflicting opinions regarding correct applications for any part, we advise the customer to check the latest judging manuals for appropriate applications before purchasing.
